

Environmental Policy Statement

- **MAGALIESBERG CANOPY TOUR (PTY) LTD** is managed as a professional and environmentally conscious business, acknowledging the impact that its operations may potentially have on the environment.
- We are committed to minimising our impact on the environment by:
 - preventing pollution, reducing waste and ensuring wherever practical measures are implemented to protect and preserve natural habitats, flora and fauna;
 - considering the effect that our operations may have on the local community;
 - taking action to eliminate or reduce as far as practicable any potentially adverse environmental impacts;
 - promoting environmental awareness amongst our suppliers, contractors and partners by implementation of operational procedures;
 - seeking to work in partnership with the community by behaving in a confederate and socially responsible manor;
 - Ensuring effective and expedient incident control, investigation and reporting.
- Our Management and supervisory staff have responsibilities for the implementation of environmental management policies and must ensure that environmental issues are given adequate consideration in the planning and day-to-day supervision of all work.
- We will fully comply with the duties placed upon our business within the requirements of statutory legislation, whilst at all times complying with, as a matter of best practice, the requirements and duties set out within approved guidance as issued by the Greenline Environmental Rating Programme.
- Our employees and subcontractors are expected to co-operate and assist in the implementation of the environmental management policies, whilst ensuring that their own tasks, as far as is reasonable practicable, are carried out without risk to themselves, others or the environment. This includes co-operating with management on any environmental related matters.
- We will openly communicate our policies and practices to interested parties and invite comments and feedback on our performance against our stated objectives and goals.
- We will take all practical steps possible to ensure that potential hazards and risk to the environment are identified and that suitable and effective preventative and control measures are implemented. Our employees will be provided with the necessary resources, equipment, information, instructions and training to fulfil their requirements of this policy.
- The operation of this policy and the associated procedures will be monitored and reviewed on a regular basis to ensure that they remain current and applicable to the company's activities.
- We are committed to a process of continuous improvement over time in our efforts to meet our environmental targets.
